MEMORANDUM FOR: Mr. John M. Maury  
CIA Legislative Counsel

SUBJECT : Proposed Briefing

Attachment

1. The attached memorandum, dated 24 April 1973, respectfully informed you that a member of the Senate Foreign Relations Staff had expressed interest in talking to me about the rebellion in Cambodia. The memorandum also asked you to tell me if the Staff had contacted you and what you intended to do about the matter. You answered by telephone that you would keep me informed.

2. Yesterday afternoon, I talked to a Staff member for the first time since 24 April. The staffer, Mr. Richard Moose, told me that he has been in touch with you to arrange an appointment. He also said that Senator Symington had called the Director late last week to the same effect. As I understand it, the Director told the Senator that I might go over, accompanied by some time this week. When I after my talk with Mr. Moose, that he thought the proposed briefing should be "big and free-form."

MEMORANDUM FOR: Mr. John M. Maury,  
CIA Legislative Counsel

SUBJECT : Briefing a Staff Member of the  
Senate Foreign Relations Committee

1. Mr. Lowenstein of the Senate Foreign Relations Staff has expressed interest in talking to me concerning the insurgency in Cambodia. He said that he intends to ask you to set up an appointment.

2. I informed Mr. Lowenstein of my willingness to cooperate, and that I had written extensively on the subject of the [REDACTED]

3. I also told him of the peculiar status of my employment at the Agency -- that is, that on 19 March 1973, I was informed that I was "excess," and that I would receive a written notification in "a couple of days." No such notification has arrived, however, and I do not know where I stand. The CIA Chief of Personnel, Mr. Fisher, is aware of the problem if you need filling in.

4. I would appreciate it if you would inform me when Mr. Lowenstein contacts you, and also what you intend to do. Thank you in advance for your kind consideration in this matter.

Respectfully,

2. Luckily, I was able to find the study in the files of the Special Research Staff, where I work. Xerox copies of both the Secret and Code-word versions are attached. (Attachments A and B.)

3. The Foreign Relations Staff would also be interested in a draft study entitled the ' [REDACTED] ' (Attachment C) which helped form the basis for current strength estimates on the [REDACTED]
